MEMORANDUM TO DEPARTMENTS AND AGENCIES

SUBJECT: Office of National Narcotics Intelligence (ONNI)

For the assistance and guidance of interested Government departments and agencies, I have approved the attached statement of the role and mission of the Office of National Narcotics Intelligence (ONNI), in pursuance of the provisions of Executive Order 11676 issued by the President on July 27, 1972.

Given the urgency of the narcotics problem, and the priority placed by the President upon the establishment of a National Narcotics Intelligence System to combat it, it is essential that the responsible departments and agencies involved join forces in an integrated program of action. The cooperative facilities of my Office are at your disposal for this purpose.

The Attorney General
